## FUN 700

Model: F70/70CFGEB

Cod: MP01032133000

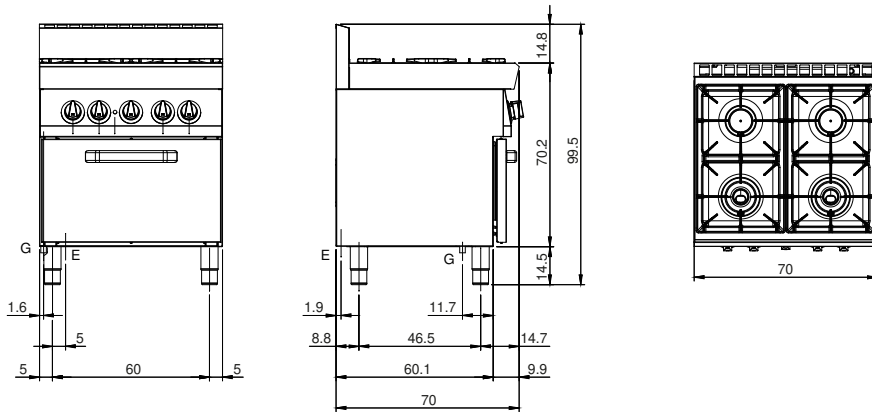

### Technical data

|                              |                          |
|------------------------------|--------------------------|
| Modularity:                  | Electric oven            |
| Dimension (mm):              | 700x700x850              |
| Oven dimension (mm):         | 565x330x325              |
| Total electric power (kW):   | 3,96                     |
| Total gas power (Kcal/h):    | 15822                    |
| Total gas power (kW):        | 18,4                     |
| Oven type:                   | Electric convection oven |
| Oven power (kW):             | 3,96                     |
| Oven temperature range (°C): | 50-300                   |
| Gas connection:              | 1/2"                     |
| Electric power (V):          | 380-415                  |
| Ampere (A):                  | 6,5                      |
| Phases:                      | 3N                       |
| Cable section (mmq):         | 5G1,5                    |
| Frequency (Hz):              | 50                       |
| Net volume (m3):             | 0,417                    |
| Packing dimensions (mm):     | 776x776x1180             |
| Gross weight (kg):           | 95                       |
| Burner power 1 (kW):         | 5,5                      |
| Burner power 2 (kW):         | 3,7                      |
| Burner power 3 (kW):         | 5,5                      |
| Burner power 4 (kW):         | 3,7                      |
| Gross volume (m3):           | 0,711                    |

### Features

|              |  |
|--------------|--|
| Burners:     | Double or single crown cast iron version available with a pilot light                                      |
| Grill:       | Cast-iron with brass single- and double-crown burner with pilot  |
| Working top: | Made of AISI 304 stainless steel with a thickness of 10/10 mm and removable enamelled containers           |
| Knobs:       | Knobs are made from a sturdy heat-resistant polymer blend and are equipped with liquid anti-leakage washer |
| Handles:     | Brushed aluminum finish  |
| Kit Gas:     | Natural gas conversion kit 30/50 m/bar (tested with natural gas G20)                                       |

**Technical draw**

G: Gas connection 1/2"

E: Electric power
